

NEW MEMBERSHIP BENEFIT WITH LIFETIME REWARDS

The Tire Industry Association (TIA) is very pleased to offer TIA members a meaningful benefit that they can offer their employees. TIA members and their employees will now be eligible to join NASA Federal Credit Union. Joining is easy. Just \$5 opens an account and provides membership that lasts a lifetime.

If you've never been a member of a credit union, here is your opportunity to save. Credit unions offer a full range of financial services, just like banks and other financial institutions. The difference is that credit unions are not-for-profit organizations and earnings are turned to members in the form of better rates, fewer fees and improved services.

When you switch to NASA Federal Credit Union, you'll save money with great rates on deposits and loans and you'll get a full range of money management services, around-the-clock loan applications with quick approval and, most importantly, superior customer service from professional staff looking out for your best interests.

NASA FEDERAL CREDIT UNION OFFERS YOU:

- **Unmatched savings plans** that offer flexibility and pay great dividends.
- **Free Online Bill Pay and eStatements with eChecking** – our free checking designed for those who want to save time and reduce paper.
- **Loans for every need** – vehicle, mortgage, home equity, education and signature loans, with fast approval and lower rates than most area banks.
- **Visa credit cards with low fixed rates** on purchases, cash advances and balance

transfers and no hidden fees or penalty rates.

- **Nationwide account access** at a network of more than 1,900 branches in 43 states.
- **Free cash** when you need it at free and surcharge-free ATMs located conveniently where you live, work, shop and travel, including over 5,300 7-Eleven Store ATMs located in 30 states.
- **Money in your pocket.** As a new member, you're entitled to special bonuses for opening new accounts.
- **Plus, much more!**

Once you become a member, you're always a member. Even if you change jobs or leave the area, you retain your membership for life and will always be able to take advantage of the outstanding financial products and services available through the Credit Union.

You can also extend the membership privilege to your immediate family and household members. With Internet, phone, ATM, and shared branch banking access, it doesn't matter if your family lives around the block or across the country, they get the same great benefits of membership.

WHO ELSE IS ELIGIBLE?

- **Your Immediate Family:** Spouse, child, sibling, parent, grandparent, grandchild, stepparent, stepchild, stepsibling, adoptive relationship.
- **Your Household:** Persons living in the same residence, maintaining a single economic unit (i.e., domestic partners, legal guardianship).

IT'S EASY TO JOIN:

- **To Apply Online** visit www.tireindustry.org and go to the Members Only section.

TIA

For more information on this new benefit program for TIA members, please contact Megan Walsh, TIA Director of Membership at 800-876-8372, ext.112, or by email at mwalsh@tireindustry.org.
