Today's Tire Industry magazine subscription price of one year ($26) is included in dues, and members may not deduct subscription price from dues. For U.S. citizens only: TIA dues are not deductible as a charitable contribution for federal income tax purposes, but may be deductible as a business expense. TIA estimates that 5% of your dues are not deductible because of TIA's lobbying activities on behalf of its members (the 5% estimate does not apply to fleet memberships).
