From technology to the economy to public health crises, there are plenty of factors outside the control of today's retail store managers. The one thing they can influence? People. TIA's **Virtual Retail Tire Store Leadership (vRTSL)** develops the interpersonal skills retail managers need to create connections, coach, and retain associates who consistently deliver exceptional performance and memorable customer experiences. By learning practical techniques drawn from our national retail research, your store managers, assistants, and leads will be able to apply proven strategies to keep their teams engaged, inspired, and productive no matter what challenges or surprises may come their way.

MOHR RETAIL

Dear RTSL Participant,

Welcome, we're glad you are here! The **Retail Tire Store Leadership (RTSL)** program that you are participating in contains skills and strategies successfully used by literally thousands of retail managers to maximize productivity. Store Managers frequently tell us that using the training they are able to get more done with less, develop associates more quickly and drive sales by creating more accountability for solving problems that allows them time to focus on more strategic issues in their stores.

We have worked hard to glean the best research and ideas about what makes a store management team successful in people management from retailers around the country and translate that into a compelling, easy to use training program. The tools, information, and content of the **RTSL** program are brought to you for your personal use. We are confident it will be extremely valuable to you immediately back on the job. We encourage you to use whatever you learned from this program along with any tools provided to your personal advantage.

We also ask that you do not duplicate, share, or otherwise use all or any part of this material to augment any other program or to teach other peers and direct reports back at your company. The fees paid by your company represent individual tuition. Benefits that others might gain should be through their own participation in one of our on-site or public sessions. Please have them or someone from your company contact us at the options below to schedule additional managers who are interested in attending this program.

Please sign to your understanding and return with your registration. Thank you for your integrity and understanding. Have a great session.
